

DAVID ANNUNZIATO, PE Associate

David Annunziato has strong problem-solving skills, making him an important contributor to Altieri project teams.

David joined Altieri in 2019 with prior experience in all trades - mechanical, electrical, plumbing, and fire protection - for commercial office building and high-end residential projects, collaborating with both architects and owners. At Altieri, David has proved to be a very effective project manager on projects such as The Lockwood-Mathews Mansion Museum, Toby Devan Lewis Education Center at the Brooklyn Museum, Wall House at The Clark Art Institute, and The Thorne Center. He is Captain of Altieri's Design Standards Team.
